On going to the book shop, I was slightly bemused to find such a book included in the new releases section as I have no interest in espionage or the spy world at all, but what a great idea to do a book club with a selection of these great authors. I've picked A Legacy of Spies free audiobook download and free ebook A Delicate Truth by John le Carré for this month's club. Synopsis: For over half a century, John le Carré's unassuming novels have defined what it means to be a spy. In his new novel, A Delicate Truth, the master of espionage pens a dramatic tale of deceit and deception.. The Book of the New Tales.TENFELLE: Falck-Renner (foreground) in front of our vehicle at the site of the Tunnel near Folken. The tunnel in Troesborg, near Frederikshavn on the east coast of the Faroe Islands, has one of the world's longest full-time tunnels. The 174-metre long tunnel with a short bridge and a gallery is complete. The roadway, which is part of the A-road between Tórshavn and Ski and runs inside the tunnel, has now been opened to traffic. Chief Engineer at the Danish-Faroese Joint Venture Falck Renner A/S, who was in Troesborg on Friday to mark the occasion, said that the tunnel had been beset with problems in the planning phase, especially the filter system in the area of the bridge. "A few years ago we had a collaboration between the Norwegian authorities and the engineers from Falck-Renner, but unfortunately it did not work out," said Chief Engineer Arne Jørgensen. "Falck-Renner did everything it could to get it right for the tunnel to go into service." About 320,000 cubic metres of air was airlifted to the tunnel, in order to replace an old filter system with a new one. The old filter system used chemical precipitation and involved expensive material. Speaking at the opening ceremony, the Chief Engineer said the tunnel and bridge have now been tested with complete satisfaction. "This has now taken place during the last three days. The bridge is working fine, but we will have to see how the roadway handles heavy traffic. We are now going to carry out tests," he said. He said the entire Danish and Faroese public had been very responsive in building the tunnel and bridge and that the city councillors in Copenhagen's district 4 had worked very well with the local municipality. "It is good to see that the tunnel 595f342e71
