Greetings, and welcome to DFFX. We are a new game company aiming to create a series of fantasy RPGs. Our goal is to create a fantasy RPG with beautiful graphics and an epic story. Today, we introduce you to the basics of DFFX, such as the background, features, and outline of the game. Unfinished Feature *While some of the above features are not finished and are a work in progress.

Features What are the features of the game? The main features of the game are as follows: 1. A World Has Been Created The world of DFFX is a world that has been created on the Unreal Engine 4.2. A huge and vast world is available and a variety of locations are possible. 2. A Fantasy Environment In the fantasy world of DFFX, the setting differs from fantasy environments of previous games. There are large castles, big cities, and lush forests, where you can discover a variety of plant life. 3. A Variety of monsters appear in the World A variety of monsters appear in the fantasy world of DFFX. As the name suggests, you can fight enemies that were stuffed with a single, "M_areas." However, you may encounter several kinds of monsters (e.g., bosses, monsters that exhibit particular rules, and a "M_area," that has multiple kinds of monsters in it) in a dungeon. 4. A Variety of Characters Appear The protagonists of DFFX appear in a wide variety. You can customize the appearance of your character. You can freely combine weapons and armor and develop the character according to your play style. You can also explore various dungeons, fights with monsters, etc. 5. Advanced Technology The advanced technology displayed in DFFX are not merely fictional. Magic, prosthetic limbs, flying drones, and other things are included in the technology of the fantasy world. 6. An Epic Story that Changes Based on Your Decisions The main character will have various conflicts during the story, and you can change the various battles. For example, you can choose to defeat the boss of a dungeon quickly, or to fight with that boss for a while to improve your equipment. You will also be able to live in a variety of places and fight with an assortment of monsters, and the game proceeds as you gain experience through this. 7. A Large Dungeon and a Variety of Situations

Features Key:

In the multiplayer world, you can directly connect with other players and travel together.

In conjunction with the update, support for Android TV and the Switch has been added. If you own an Android smartphone, you can enjoy the MP through the LINE Premium APK. Mobile platforms (iPhone, iPad, and Android) and PC can play together through remote play.

What's Elden Ring?

Elden Ring is a fantasy action RPG in which a fighter becomes an Elden Lord. As you gradually level up, you'll be able to execute a variety of skills, such as blows from weapons, powerful magic that breaks objects, and summoning of monsters. Fight and progress through the epic drama, just like in a dating sim.
